FIFTEEN CENTS

Police Find Intruder In Building

A culprit got inside the Goldberg Mfg. Co., 945 Anita St., last week, setting off a burglar alarm and rushing Antioch police to the scene.

After finding the intruder, officers Harold Mason and Stan Revell thought it over carefully, and then allowed the offender to go free.

The alarm went off at 1 a.m. Thursday. Mason and Revell sped to the site, checked windows and doors, but couldn't find evidence of a break-in.

Checking the inside of the building, they heard a scratch-

ing noise against a wall in a backroom. Searching with a flashlight, Revell found a 20-pound skunk hiding behind a machine.

A rear overhead door was opened and Revell said he climbed on top of the machine and "very carefully" urged the skunk outside by prodding it gently with a long tube of cardboard.

The animal left the premises at about 2 a.m. It had chewed on wires, setting off the alarm.

Case dismissed, Mason and Revell hope.

Bicentennial Meeting Here Next Tuesday

Interested groups are being asked to attend the planning meetings that have been set up for the first Tuesday of every month by Antioch's Bicentennial Commission, to develop and implement a rewarding commemoration of our nation's 200th birthday.

The next meeting will be held on Tuesday, Oct. 7, at 7 p.m. at the State Bank of Antioch.

Planning of programs that reflect the three national themes of heritage, festival and horizons have progressed through previous meetings.

Thus far, many groups have chosen the festival theme in recreational events that are to feature historic costumes - Antioch Mental Health Society's "Historical Hop" on Oct. 11; Rotary's Bar-B-Q on Sept. 20; and the high school's Historic Art and Crafts Fair in April. A historic July musical pageant also is planned.

Construction of a replica of the 1839 Gage Brothers' saw mill on Sequoit Creek is a "horizon" project planned. A

"heritage" theme project proposed is the acquisition of the 1892 grade school building on North Main St. for use as a local history museum and civic meeting center.

Funding of these community projects through state and federal "matching fund" grants, sales of the Dr. Kopriva-designed decals and jackets, individual and group contributions, and other fund raising events, hopefully, will implement the plans. "In any case, you or your representatives' attendance at the meetings is very much in need," said William E. Brook, chairman of the local Bicentennial Commission.

BIGGEST ATTRACTION around Antioch last weekend was an 8-foot-tall Uncle Sam, who toured the business district giving free balloons to children. Uncle Sam was representing the Antioch Savings and Loan Association, helping us all celebrate the 200th anniversary of our country. Here, he posed with Diane Stepp (left) and Denise Roberts, both 9 and very excited about the whole thing.

Tires Stolen From New Cars

Thieves took 11 new tires from new cars parked in a lot at Lyons-Ryan Ford last Saturday night.

Pat Ryan told Antioch police that the spare tires were taken from nine new station wagons after someone broke into the back doors.

Another 1975 station wagon

had both of its front tires removed.

Ryan estimated that it will cost \$75 each, or a total of \$825 to replace the tires.

39 Want Change To ACHS District

Thirty-nine residents of the western part of the Zion High School district want to be annexed to the Antioch district.

The Antioch Community High School board of education has consented to the annexation and

a hearing will be held next Monday by the superintendent of county schools in room 202 of the courthouse in Waukegan.

The decision will affect about 12 high school students who live in the 1,200-acre area which lies west of the tollway, east of Hunt Club Rd., north of Old Mill Creek and south of the Illinois-Wisconsin state line.

The residents say it would be more convenient because they live closer to Antioch than to Zion.

In other action last Thursday the Antioch board approved the employment of Steve Miklausch as assistant freshman basketball coach, Pat Goodrich as a teacher aide in the reading program, and Amy Laurin as a part-time secretary.

SUPERMARKET TROT

New York—(HK)—Research sponsored by the Newsprint Information Committee shows that the woman who compares supermarket ads in her newspaper is the best supermarket customer.

Certain North American Indian tribes passed their children through the limbs of a dogwood tree to protect them from childhood diseases.

GORDON WELLS

75th Birthday: Wells Family Surprises Dad

A surprise 75th birthday party was held Sunday at the Millburn church hall in honor of Gordon Wells Sr.

The party was given by his children. More than 100 relatives, friends and neighbors attended, including Mr. and Mrs. Melton Smith from Kansas. They all shared coffee, cake and conversation.

Mr. Wells was born on Oct. 1, 1900, in Antioch and has lived here ever since. In 1931 he married Carrie Panzer of Gurnee, and they settled on the Wells Farm on Savage Rd, east of Antioch, where they still reside.

Gordon and Carrie have four children; Gordon Jr., Everett, John and Lucille (Elfering) of Antioch.

A photo album was presented to Mr. Wells by his children. The album contained many photos from the past bringing back countless memories.

Alumni Invited To Dance

The Antioch High School student council is inviting alumni to attend the Saturday, Oct. 18, homecoming dance.

It will be held in the South Gym at 8 p.m. with coronation ceremonies at 10.

Julie Gutowski of the student council said all alumni who buy tickets or register in advance will be admitted for half price and will be eligible for prizes.

There also will be prizes for members of the earliest graduating classes.

Students aren't eligible for the prizes.

Tickets, costing \$3 a couple, will be available in the school's general office or at the door on the night of the dance.

To register in advance and be admitted for half price, persons can fill out the following blank between now and Oct. 11.

Name.....

Year Graduated.....

Send to Julie Gutowski, ACHS Student Council, 1133 S. Main St., Antioch. For more information, Miss Gutowski said persons could call her at 395-1317.

Among certain Arabs, a childless woman often borrows the robe of a woman who has many children, hoping with the robe to acquire the fruitfulness of its owner.

Murder Suspects Walk Around Free

BY BARRY GOLDWATER

Why does Washington, D.C., have one of the highest rates of serious crime in the nation?

One of the reasons is the way the judicial system is responding to the

challenge of increasing street violence.

A case in point was the recent release without bail of a 22-year-old man charged with the stabbing murder of a young Amtrak draftsman.

THE SUSPECT was released on his personal recognizance by Judge

Theodore Newman.

Newman's action was strongly criticized, and sources close to the situation said the action was defensible because the suspect had no previous record. Under provisions of the 1970 District of Columbia Crime Act, a defendant with strong community ties and no past criminal record is entitled to be released unless the prosecution can show he may flee the court's jurisdiction.

The interesting part of this case is that reporters discovered the suspect in question had been arrested twice last year and once failed to show up for a scheduled court appearance. At the time of the suspect's release, it was assumed that U.S. prosecutors had made a check of the police and court records. If this is true, and they so informed the judge, then the release of a dangerous suspect becomes difficult to understand.

POLICE RECORDS show that the stabbing suspect was arrested in April of 1974 and charged with armed robbery but that the case was dropped by the U.S. attorney's office after it had been handed over to a grand jury. In the same year the suspect was charged with possession of marijuana but failed to show for a court appearance on the charge. In this instance the suspect later returned to the court, pleaded guilty and received no sentence. After both 1974 arrests, the suspect was released on his own recognizance.

It stands to reason that a city which permits dangerous murder suspects to walk around loose is asking for more homicides. Although statistics are lacking, it is understood that a high percentage of the violent crimes committed on the streets of nation's capital are the work of previous offenders who have received nothing but taps on the wrist from judges who heard the earlier cases.

The Town Crier

BILL BERG, Chicago radio personality, a WGN commentator who speaks his mind, came out in favor of capital punishment last week.

He suggested that the nuts who make assassination attempts be put away within 72 hours.

"Why should the taxpayers house them, feed them and clothe them for the rest of their lives?" Berg asked.

Yeah. Why?

CONGRESSMAN Robert McClory has announced that the United States Coast Guard Academy is accepting applications for its 1977 freshman class. This year, for the first time, applications are being accepted from women.

Wonder how many years it will be before the Chicago Bears have a female quarterback.

THE ART of karate has

always interested us as a form of physical conditioning and self defense.

An amateur karate tournament is fascinating to watch, but in Milwaukee they're now going at it in what they call "professional, full-contact, knockout karate."

We received this report in the mail:

"When a 5 foot, 5 inch, 147 pound karate kick boxer knocks out a 6 foot, 3 inch, 200 pound opponent, that's professional karate at its best. And Benny (The Jet) Urquidez is the best in his class."

"Urquidez meets Ken Kolodziej in the main event of full-contact karate matches Oct. 18 at the Milwaukee Arena. Kolodziej is a mean fighter in what is often a brutal, bloody sport."

"Urquidez can testify to that last statement. In a recent fight

with J. Lee, a world contender, Urquidez' face was opened and bloodied by three fast foot kicks. He recovered in time for the next round, and with lightning speed of hands and feet, hit Lee 15 times within the two minute round, to bring Lee down to the mat."

Anyone for table tennis?

FOR THOSE who abhor bloodshed and prefer the music of 70 or 80 years ago, the Illinois State Fiddle Contest will be held Saturday evening at the Shelbyville, Ill., High School gymnasium.

Each contestant must play a hoedown and a waltz and be prepared to play a different kind of tune of his choice.

No trick fiddling or novelty tunes can be played, such as "Black Mountain Rag." "Listen

Please turn to page 5

"Can I Go Over To Sally's And Play 'President And Assassins'?"

THEIR GOAL: CLEAN LAKES -- Members of the Chain o' Lakes-Fox River Commission were out on Nippersink Lake, near Rt. 12 in Fox Lake last week. They were using a boring machine to see if the sub-surface soils in the area are capable of supporting the weight of a dike. Results of the sampling of the lake's bottom sediment will be sent to the state Environmental Protection Agency as a prelude to awarding a contract for dredging and other improvements.

The site has been proposed as a

containment area and the testing will determine what might be pumped out of the lake. The state's Division of Water Resources has \$250,000 to spend on dredging next year, and this is the area suggested by the Chain o' Lakes commission. From left: Ed Snearley, project environmentalist; Jerry Murphy, executive director of the commission; William E. Brook, chairman; John Guillou, consulting engineer, and Pete Drabek, a member of the commission.

Lake County Group Hosted By Allendale

The Allendale School for Boys in Lake Villa was host to the Council for Exceptional Children, Lake County Chapter, for its annual membership tea last Thursday.

Mr. Robert Holway, executive director of Allendale and membership chairman of the chapter, said that nearly 100 members and guests of the Lake County Chapter attended the annual affair.

A tour of the picturesque Allendale campus and its buildings was offered to those in attendance.

The council for Exceptional Children, Lake County Chapter, is a part of the national group located in the East. The purpose of the CEC includes programs for exceptional children, children with learning disabilities as well as those with exceptional ability. It is a professional group of educators, counselors and agency directors, according to Wayne E. Parthun, Director of Development and Public Affairs at the Allendale School.

In India it is believed that if upon first looking at the new moon you immediately look at a turquoise, you will receive great wealth.

Names in the News

LAURIE J. GOOD, daughter of Mr. and Mrs. Stuart Good, 422 Harden St. is participating in the student teaching program at North Central College.

Miss Good is teaching at Highland Elementary School in Naperville as a part of her requirements for state teacher certification.

The Antioch Adventurers 4-H club has an interesting display in a window at the State Bank of Antioch. It is in recognition of national 4-H week, which begins Sunday.

A roast beef cafeteria dinner will be served at 12 noon Thursday by the Ladies Aid of the Millburn Congregational Church. The event will be held in the church dining room.

The Antioch Methodist Church is planning an organ concert for Wednesday, Oct. 22. Be sure to mark your calendar now!

Also, Nov. 22 has been chosen as the date for the St. Peter's Thanksgiving Dinner Dance. Always a lovely affair and, remember, tickets sell fast!

ABC's of Travel

By BARB CORBIN

DOMESTIC AND INTERNATIONAL

Cruise enthusiasts can find some good bargains for this fall and winter. Many ship lines have phased out their summer season rates, and not yet instituted high winter prices that begin with the year-end holidays.

A 20 percent senior citizen discount rate has been provided by Commodore Cruise Line. This discount will be on the Bolero or the Boheme. This discount is on a space available basis on all rates except minimum.

Those 62 years of age and older can make reservations only during the week of sailing. For those of you who are counting your pennies; this is a great bargain.

Monarch Cruises is giving a 50 percent discount for the second person sharing a cabin with a full-fare passenger

aboard the Monarch Sun. This same family plan offers 50 percent off the minimum rate

for the third or fourth passenger. Both of these cruises go into the Caribbean and Mexico.

Princess Cruises to Mexico are giving free air fare to Los Angeles from Chicago. This offer is on the Pacific Princess and the Sun Princess.

The cruise companies have joined forces to bring you a most relaxing, refreshing, vacation for just one low price. With a cruise, all meals are included so one knows the exact price he'll be spending prior to his departure from home.

"Would you mind turning down the volume, son? Your mother and I are trying to get on with our lives of quiet desperation."

"Mad as a March hare" comes from the fact that hares are unusually shy and wild in March, which is their rutting season.

Old Farmer's Riddle: What is the difference between a railroad conductor and a bad cold? (Answer below.)

Ask the Old Farmer: We are planning an outside wedding for our daughter next April and we are dying to know what your long-range weather forecast is for the date. We hope it isn't rain. Is the 1976

edition of The Old Farmer's Almanac out yet, and where can I get a copy? G.P., Baltimore.

If you had given us the wedding date we would have told you the forecast here. Anyway, you can find our prediction in the 1976 edition which is just out and on most newsstands. If you can't find it, we'll mail you a copy. If you send one dollar to The Old Farmer's Almanac, Yankee, Inc., Dublin, New Hampshire 03444.

Home Hints: Always rinse a pan in cold water before scalding milk in it for easier cleaning later on ... **Riddle answer:** One knows the stops, the other stops the nose.

OLD FARMER'S WEATHER FORECASTS

New England: Clear and warmer to start, then heavy showers in the north, hot in the south by week's end.

Greater New York-New Jersey: Generally fair and warmer all week, with a few showers.

Middle Atlantic Coastal: Intermittent rain all week in north and west, in central latter part; partly cloudy in south throughout.

Piedmont & Southeast Coastal: Week begins partly cloudy, then rain; latter part clear in north, rainy in south.

Florida: Partial clearing at first, then showers in south through latter part; sunny and hot throughout in central and north.

Upstate & Western N.Y.-Toronto & Montreal: Clouding up at the beginning, then showers.

Greater Ohio Valley: Cloudy through midweek, then rain continuing through the weekend, except intermittent in the west.

Deep South: Cloudy at first, then showers by midweek; clear and very warm by weekend.

Chicago & Southern Great Lakes: Entire week is generally cloudy and rainy, with very heavy rain in west and north on weekend.

Northern Great Plains-Great Lakes: Cold wave, with freezing by midweek; heavy rain in the east and cloudy in west latter part.

Central Great Plains: Week begins with thundershowers in central, north and east, then squall in east midweek; clear in west.

Texas-Oklahoma: Thunderstorms to start, becoming very heavy in central and Gulf midweek; clearing latter part.

Rocky Mountain: First part of week cold and freezing in central and north, clear and hot in south; latter part showery.

Southwest Desert: Clear and pleasant in west, partly cloudy in east through midweek; rainy and cloudy by week's end.

Pacific Northwest: Cold wave, but clear, by midweek; partly cloudy and warmer latter part.

California: Entire week clear and very warm in north, overcast and hot in south.

ARIES [March 21 - April 19] — This will be a difficult week to keep things on a routine basis as public affairs seem to demand more of your time. Gains can be achieved through contacts.

TAURUS [April 20 - May 20] — A tendency to be too mentally active may create some confusion as you try to maintain the same physical pace. Pay closer attention to health.

GEMINI [May 21 - June 21] — A good week to enjoy the companionship of young people. Amusements and recreation play an important role in your week. Accept social invitations.

CANCER [June 22 - July 21] — You may be tempted to change your locale or residence but try to avoid getting out of your element when making changes. Talk over plans with kin and consider their opinions.

LEO [July 22 - August 21] — Mental pursuits should be followed up. You can handle details in an easier fashion now. A week for successfully dealing with relatives.

VIRGO [August 22 - September 22] — Gain comes through your efforts at writing, speaking or other communicative outlets. You work well under pressure so accept challenging offers that enhance career plans.

LIBRA [September 23 - October 22] — Work on channeling energy toward promoting personal transactions. A quickness of thought and action helps to keep things moving at a rapid pace.

SCORPIO [October 23 - November 21] — Don't let temporary restrictions get you down; although things aren't as progressive as you desire you can use the time to re-orient your plans. Be selective in the company you keep.

SAGITTARIUS [November 22 - December 20] — A busy week with ample opportunity through friendships is in the offing. As vitality remains high you can get obligations done and still successfully promote your interests.

CAPRICORN [December 21 - January 20] — A refreshing change of scenery could help you see things in a different light so make plans to get away for a few days. Although energy is high, reserve time for rest.

AQUARIUS [January 21 - February 19] — Try to look at things realistically; a tendency to daydream may hamper your chances to accomplish what's expected of you. Be practical when considering distant affairs.

PISCES [February 20 - March 20] — Seek partner's opinion in joint business endeavors but handle your share of the decision-making. Work at keeping responsibilities under control.

PM&L Awards To Be Made

Friends and members of Antioch's PM&L Theatre troupe will gather and applaud the efforts of those who worked so hard during the 1974-75 season. A few will receive awards.

The banquet will be held Saturday night at the Cabriolet Restaurant and Theatre in Libertyville.

The cocktail hour will be from 6:30 to 7:30. Dinner will follow.

Once again, the State Bank of Antioch will donate the dinner wine.

Following dinner, the presentation of the "Jackie" and Hunley awards will be made. Ballots of the awards are mailed to eligible voters. Entertainment will follow the awards.

Keep your piano free from dampness.

Mileage Guide For Car Buyers Now Available

If you're shopping for a new car, you're probably taking gas mileage into account.

To help you out, the Federal Energy Administration, in cooperation with the U.S. Environmental Protection Agency, has published results of fuel economy tests in a booklet entitled *1975 Gas Mileage Guide for New Car Buyers*.

The guide lists estimated city and highway miles per gallon for all new cars and light-duty trucks that meet 1975 emission standards and are certified for sale in the U.S. as of September 15.

The FEA notes that individual drivers may not attain the identical gas mileage as the test results due to individual driving habits, and varying accessories and engine conditions.

For single copies, write to: Consumer Information, Pueblo, Colo. 81009.

We Have the Strength

"The outlook is for the second or third best year in U.S. or any other economic history, with about 85 million men and women at work; record or near-record consumer financial assets; minimal excess capacity in basic industries; a topping out of inflation; generous use of the government's time-tested enlarged kit of help for the unemployed and underprivileged; more comparative U.S. advantages over most nations in energy, inflation, capital markets, and financial system strength; unrivaled management expertise; the best educated people in the world in a mood wanting to understand our problems and participate in their solutions; and no war.

"This is a pretty hefty set of strengths to help us find a solid bottom to this recession close to where we are now—if we'll only demonstrate the willingness to weigh the factual evidence of strengths and not insist on stressing only weaknesses. The key point is not whether but when the outlook will improve."

—Walter Hoadley
Executive Vice President
Bank of America, NT & SA
San Francisco

"A bad candidate is a person who stands for what he thinks the public will fall for."

ACHS Girls In Conference Tennis Meet

Antioch High School's first girls tennis team travels to Cary-Grove Friday to compete in a Northwest Suburban conference tournament.

The team, coached by Elaine Weidner, already has participated in doubles and singles matches against Lake Zurich, Warren and Cary-Grove.

The "A" team consists of juniors Kim Korando and Lee Ann Kmiecek, sophomores Julie Roth and Karla Herbst, and freshmen Laura Lewendowski, Debbie Mondrowski and Kathy Sterbenz.

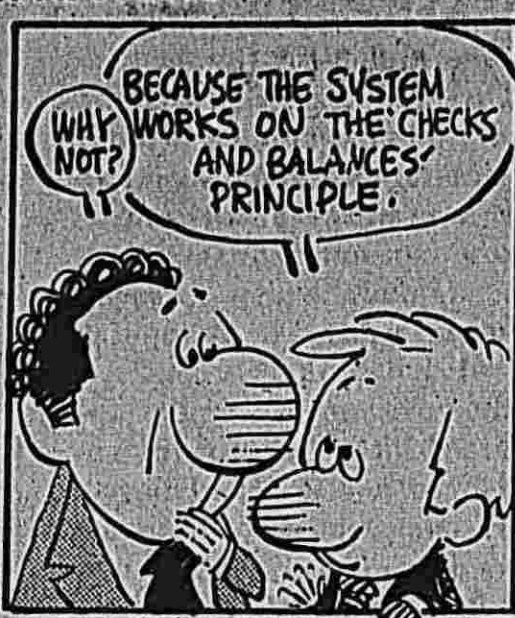

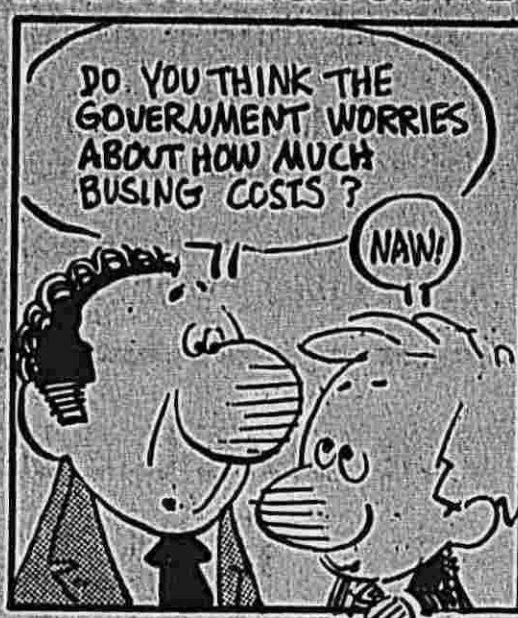

Members of the "B" team are Kathy Stanley, Kim Motley, Dawn Costoff, Sherry Lindquist, Karen Venn, Laurie Jareb, Lori Rush, Patti Gross, Vickie Nohlecheck, Maggie Miles, Diane Perry and Debby Bundy.

Scoring wins in doubles matches were Kim Korando and Lee Ann Kmiecek against Lake Zurich, Debbie Mondrowski and Laurie Lewendowski against Warren, Maggie Miles and Vicki Nohlecheck against Cary-Grove, and Kathy Stanley and Patti Gross against Warren.

Antioch's victories in singles have been scored by Lee Ann Kmiecek, Dawn Costoff, Sherry Lindquist and Karla Herbst twice.

So far, the Antioch girls haven't met another first-year team, so they have been up against more experienced competition.

BOYD and Wood

Fun Before the Depression

Antioch in 1929

By BETSY ROSSEN

The closing year of the Roaring '20's is remembered best (or rather, worst) as the year of the Great Depression.

But in the months before the stock market crash American life seemed to go on at a normal pace. What were the entertainment attractions that year? Let's check some spring issues of the Antioch News.

Motion pictures were big and getting bigger. Antioch Theatre, "Pride of the Lake Region," featured two pictures per weekend including action-packed "Morgan's Last Raid" and captivating "Why Be Good?"

The latter starred Colleen Moore in a "new angle on flaming youth" with its toe-tickling theme song, "I'm Thirsty for Kisses, I'm Hungry

for Love."

Vaudeville acts and short comedies highlighted the theatre's fare. A special treat for May was Richard Dix in "Redskin," sponsored by the high school senior class. Promotion for the comedy of the week said "You may laugh out loud."

The first weekend in May brought Gary Cooper and Lupe Velez to the village in "The Wolf Song," a flaming romance with sound.

Later that week Antioch Theatre patrons enjoyed their first all-talking picture, "Interference." It starred William Powell, Evelyn Brent, Doris Kenyon and Clive Brook.

The month of May closed with a big night at Antioch's Crystal

Theatre: Larry Robbins' Trained Animal Indoor Circus. Promoters boasted it was "positively the best" and featured Snyder's Comedy Goat Circus, Martha the Wonder Bear, and Johnnie Wise the Radio Clown.

Dancing was an important part of lake region life. The "joint was jumpin'" at the Channel Lake Pavillion, The Twin Lakes Ballroom and the Antioch Palace.

"Ten cents a dance" was the call every Saturday night. Couples could swing to Bill Kalte and his Red Jackets, Doug Peppard and his Northwestern Troubadours, The Vagabonds of Ohio University, Jack Higgins and his Royal Purple Orchestra and Bruce

BETSY ROSSEN

Werts and his Illini Troubadours.

Transportation to the area was greatly improved by the creation of the Chain o' Lakes Route. Run by Marigold Motor Coach Lines, it provided a direct deluxe service from the loop beginning May 25.

The coaches were scheduled to run up Rt. 21 "right into the center of things" with eight bus trips on Saturday, Sunday and holidays. The scenic route included the communities of Silver Lake, Bassett, Wilmet, Trevor, Antioch, Loon Lake, Lake Villa, Rollins, Grayslake, Libertyville, Half Day, Wheeling and Glenview.

Recreation has always been vital to the Antioch area. The Antioch News of 1929 tells us how it used to be.

'Human Services' Work Continues

The Human Services Center, north of Antioch on highway 83 in Salem, is marking its first anniversary.

The office is a division of the Kenosha County Council on Alcoholism and Mary Ann Frostman, alcoholism counselor, said that the center's operation is "catching on."

Staff members include Elizabeth C. Parsons, psychologist; Steven Goldberg, psychiatric social worker, and Shirley Butowski, receptionist. "More

and more people are taking advantage of the services offered by the center, which is the only one of its kind in the area," Ms. Frostman said.

The Human Services Center offers a wide range of services. The professional staff members do counseling with individuals of any age, nationality and religion. Families, individuals, and groups who are experiencing emotional problems such as marital conflicts, tension, depression, and difficulties in school are served.

Counseling is done with people who are having problems related to drinking or to the use of other drugs. The staff gives educational talks about emotional disturbances and alcohol-drug abuse. They consult with industry about general problems companies are experiencing. Educational programs are offered.

Referrals, where appropriate are made to other helping agencies. Hospitalization can be

arranged for individuals who are very upset, depressed or involved with drugs or alcohol. All information is kept confidential.

"The staff is pleased that the residents of western Kenosha County have accepted the services offered by the center. They will continue to serve all people who have need of their services," Ms. Frostman said.

CELEBRATING THEIR 50th wedding anniversary in September were Edward and Elsie Bahr, the parents of Carolyn Blanchette of Antioch. Thirty-five members of their family joined them at Antioch Country Club, most coming from Wisconsin or Missouri. The Bahrs had two children, 10 grandchildren and three great-grandchildren. Seventy relatives and friends attended an open house in the evening at the home of Carolyn and her husband, Wayne. The Bahrs, originally from Wisconsin, lived in Chicago for 30 years before moving to Antioch five years ago.

LAKE REGION HOMEMAKERS Fall Fashion Show is right around the corner. Shown above is Angie Maras (left) showing Bette Hope one of the outfits she will be wearing in the "Sew Again" style show, Wednesday, Oct. 22, at the Holiday Inn in Gurnee. This is an after-ski fur coat with matching vest. Tickets are available at the Antioch Rental Center, Erickson Sewing Center and by calling 395-1648. The new Pfaff zig zag sewing machine donated by Fabric Towne of McHenry and the Bicentennial Quilt are still on display at the Rental Center.

The Kitchen Almanac

More vegetable vitamin information: both dark-green and deep-yellow vegetables such as carrots, spinach, sweet potatoes, broccoli and kale are all good and inexpensive sources of vitamin A.

To spruce up an omelet, try a flavorful ground beef sauce. Simply brown ½ pound ground beef with ¼ cup each chopped celery and onion. Pour off drippings and add ¼ teaspoon garlic salt, ¼ teaspoon pepper, one 8 ounce can tomato sauce, one 10½ ounce can mushroom soup and ½ cup water. Simmer 10 minutes and serve over omelet.

Vacuum bottles are great for keeping hot items "hot" and cold items "cold." However, to ensure their safety, be sure to wash them thoroughly after each use. . . . Have you ever thought of this? Baked, broiled or pan-fried fruits make some excellent desserts.

Oven temperatures should be checked from time to time.

Michael Warren Affiliates With 'Century 21'

You will be seeing new signs all over town adding the name of Century 21 to Michael Warren & Co.

This does not mean that Michael Warren & Co. is moving or changing ownership. Far from that!

It does mean however that Michael Warren & Co. has joined forces with the largest real estate company in the world.

Century 21 is an affiliation of selected real estate offices all over the country, working together in the interests of the buyer and seller. Michael Warren & Co. is the 100th realtor in Northern Illinois to affiliate with Century 21.

"There are advantages to both buyer and seller in Century 21," Mr. Warren said. "Mass

advertising and professionally developed selling aids help to obtain top market price for property. With the trained professional staff in our office, the cooperation of other Century 21 offices, and the combined power of mass advertising, Michael Warren & Co. can assure sellers of the best results."

"A buyer wants the greatest selection of desirable properties with the best financing and lowest rates available. Here again, the power of a large organization is apparent," he added.

Mr. Warren said the affiliation with Century 21 "will combine the best of two worlds, the most modern up-to-date systems in handling any real estate transaction and the fine reputation of Michael Warren &

Co. To either a buyer or seller it means that any of your real estate desires or problems will be handled promptly and to your utmost satisfaction."

"We are excited to bring this new concept of real estate marketing to Antioch," he stated. "We feel that Century 21 not only presents an excellent national image but also provides an in-depth program of the highest merit."

THE ENTIRE sales staff of Century 21-Michael Warren & Co. will attend the 59th annual convention of the Illinois Association of Realtors. The convention will span four days and offer a variety the quality of our service to Antioch residents," said Mike Warren, "is of prime importance."

Attendance has been encouraged with a sales and listing contest which ends on the eve of the convention. The "Red Team," including Craig Dayton, Rita DiTuro and Fred Johnson are presently leading the "Blue Team" by 600 points. Winners will have their way to the convention paid, plus spending money.

Courage Is—A scorner of things which inspire fear.

Rent a pole light from Commonwealth Edison.

16¢ a night.

PROTECT YOUR PROPERTY.

LENGTHEN THE DAY ON YOUR FARM.

Whether you're looking for security or just want to brighten up the night, get in touch with Commonwealth Edison. We'll take a pole light, install it on an existing pole, service it, and of course, provide electricity for it, all for a flat monthly rate.

You can get a 175-watt mercury-vapor lamp for as

low as \$4.86 a month. Or get a powerful 400-watt lamp for as low as \$8.01 a month. Both will give you protection, safety and convenience, all night, every night.

Just give us a call and we'll do the rest. And once your pole light is installed, you don't even have to turn it on—a sensitive photoelectric cell automatically switches

the light on at dusk, off at dawn.

Whether you're interested in lighting your yard, stretching the working day, or adding safety and security, our new pole-light service is the answer. For more information, call the marketing department at your nearest Commonwealth Edison office.

Commonwealth Edison
Working for you.

Sunday Afternoon Auto Races Planned

For the final three stock car programs of the 1975 season at Lake Geneva Raceway action shifts to Sunday afternoons, starting this coming Sunday.

In action will be sportsman and spectator stock cars plus "Grandstand Racers." These are one lap tests of fans from the stands racing against each other, but instead of a well-protected stock car they will be using the family passenger car.

If all three of the final dates, Oct. 5, 12 and 19, are completed without weather problems, it will mark the longest season and most number of events completed since the Raceway opened in 1965.

Champions have already been named in the late model and sportsman stock car groups. Al Schill, Franklin, Wis. won the late model championship and Roger Meyer, Lake Mills, won the sportsman title. Jack Ester of Antioch, representing Smiley's Corners and Kentucky Fried Chicken, finished third in late model standings.

Meyer will be action on each of the final three Sunday afternoons. Time trials will start at 2:30 each afternoon and football reports will be made at the Raceway on significant games.

TERRY BLAKELEY, Lake Geneva, had troubles in the 25-lap sportsman stock car feature race last weekend, but came back to score an impressive win over Roger Meyer.

Blakeley was as far back as ninth but took the second spot on the 12th lap and the lead just four laps later.

Forty-five go-karts from the Badger Kart Club of Milwaukee presented a three-race program and, although they failed to reach their expected speeds of 100 mph, the group presented a lot of passing and a well organized program.

Star Designated For Bicentennial Highway Markers

Look for the Bicentennial star!

Tourists and travelers on the nation's highways during the Bicentennial celebration will be guided to special events and activities by the symbol now widely used by communities designated as Bicentennial activity centers, and by newspapers and magazines. The symbol is a five-pointed star, surrounded by continuous red, white, and blue stripes, which form a second star.

The Federal Highway Administration in cooperation with the American Revolution Bicentennial Administration (ARBA) is encouraging states to use the official symbol on interstate and primary and secondary highway signs.

Sequoits Win 19-0, Tie for 2nd

Round Lake Here Saturday: Parents' Day

Wow, is that Northwest Suburban Conference football race interesting!

And it resumes right here in Antioch Saturday afternoon, when the Sequoits host the Round Lake Panthers at 2 o'clock.

It will be "Parents Day," with a special section of the grandstand reserved for Moms and Dads of the so-far successful Sequoits. Moms will receive corsages and the game will be broadcast by WKRS radio in Waukegan.

The parents have plenty to be proud of so far. Their sons have won three of their four games and share second place in the conference with Warren and Stevenson. Grant leads with a 4-0 record and faces an interesting test Saturday when it tangles with Warren.

FOR THE first time this season Antioch will be favored. The Sequoits have been slight underdogs in their first four games and each time surprised the so-called "experts."

But Antioch isn't taking Round Lake lightly.

"We know one thing, they'll hit hard," said one of the players.

"They won't roll over and play dead for us," said Coach Roy Nelson.

Round Lake opened the season with a 18-6 win over Grayslake. After that the Panthers lost to Warren, Lake Zurich and Grant, all strong teams.

ANTIOCH'S MOST recent success was last Saturday's 19-0 victory at Cary-Grove. Cary was a two-point favorite, according to some, and the teams battled through a scoreless first quarter.

Don Norwick recovered a fumble on the Cary 29 and the Sequoits drove to the 13, but then they fumbled.

Antioch took a 7-0 lead in the second quarter after Tim Sheppard made a 37 yard punt return to the Cary 33. Quarterback Jon Bodin gained 22 yards in three carries and halfback Dave Moore dashed 11 yards for a touchdown. The kick for extra point was good.

The Sequoits went ahead 13-0

COACH ROY NELSON discusses strategy with Antioch's quarterback, Jon Bodin. The Sequoits stunned Cary-Grove 19-0 last Saturday and face Round Lake here this Saturday at 2 p.m.

in the third quarter after Paul Petty recovered a fumble on the Cary 35. Antioch rammed its way to the one and Sheppard took it in for his fourth touchdown of the season. He ranks among the league's leading scorers.

ANTIOCH'S FINAL touchdown came in the fourth quarter on a 35-yard pass play from Bodin to Dan Vos.

Bodin finished with 11 completions in 17 attempts for 162 yards. He also ran for 32 yards, while Sheppard and Moore each gained 27 and Petty and Dave Wurster each gained 25 in the balanced Antioch attack.

"You have to take your hat off to Bodin," said Coach Nelson. "He's a leader and executes that option play well. He has the defense guessing every time."

The coach also had praise for his running backs, his ends and in fact - the entire team. He used all 47 players who made the trip.

"What was so pleasant about it," he said, "Everyone did his

LAST WEEK'S SCORES

Antioch 19, Cary-Grove 0
Grant 43, Round Lake 0
Stevenson 23, Grayslake 0
Woodstock 39, Wauconda 19
Warren 12, Lake Zurich 6

SATURDAY'S GAMES

Round Lake (1-3) at Antioch (3-1)
Warren (3-1) at Grant (4-0)
Cary-Grove (2-2) at Woodstock (2-2)
Wauconda (0-4) at Stevenson (3-1)
Lake Zurich (2-2) at Grayslake (0-4)

part. The defense intercepted five passes and recovered four fumbles. Linebacker Rich Dauck made three key tackles and other defensive players also came through with key plays."

"I thought Cary-Grove was faster than us, but assistant coaches Steve Wapon and Ted DeRousse drew up a defense, the players accepted it, and we won the ball game," Nelson said.

Golfers Shoot in Low 40s

The Antioch High School golf team won two of three matches last week, moving their season record to 5-4.

Coach Mark Guthrie's Sequoits are 3-2 in conference play.

They won at Woodstock 175-181 with sophomore Del Gorski shooting a 41. Pat Houghton was runnerup with a 43.

Bob Sertic led Antioch's junior varsity to victory by shooting a 42.

Against a tough McHenry team at Spring Valley, the Sequoits lost by seven shots, 166-173. McHenry's Tom Pepping shot a 39 on Spring Valley's difficult front nine. Gorski and Houghton shot 41s for Antioch.

The Jayvees lost to McHenry 170-176 as freshman Chuck Gleason led Antioch with a 40 and Keith Rezin shot a 42.

Later in the week the varsity beat Round Lake 177-186 at Renwood Country Club. Freshman Gleason paced the Sequoits with a 40 and Sertic carded a 43.

The junior varsity did even better, boosting its record to 4-1 with a 168-196 victory over Round Lake. Sophomore Steve Hartoklis fired a 37, two over par, holing out a sand shot for a birdie on the fifth hole. Keith Rezin shot a 43.

Moving Metric

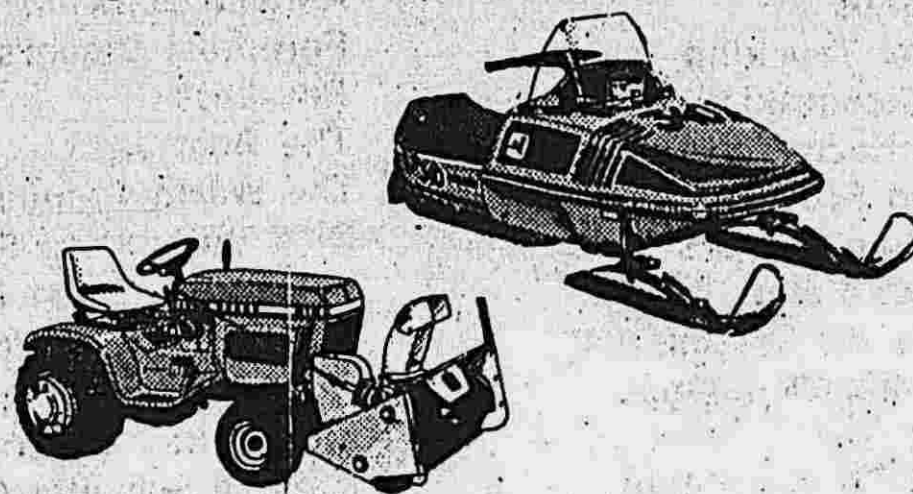

New York—(HK)—Delegates to the two-week North American/Australian Metric Conference in Australia were impressed by the apparent ease with which Australia converted to the metric system, according to C.S. Hines, Metrication Coordinator for Union Carbide Corp. and a participant in the conference.

Hines said manufacturers are seeing economic benefits from the more orderly measuring system and finding that the conversion is costing less than thought. He said Australia also is taking great care to protect the consumer from being "ripped off" as a result of metrication.

Cross-Country Team Wins 3

Antioch High School's cross-country team did a lot of running during the past week, competing in three dual meets plus their own invitational romp.

First they routed Zion 19-36, then beat Grant's Bulldogs 26-30 and Wauconda 24-31. That boosted the Sequoits' conference record to 4-1 and their overall record to 7-5.

In last Saturday's Antioch Invitational, the varsity ran with depleted forces and

finished ninth. Usual varsity runners Dave Walpole and Jim Becker ran in the sophomore race. Fremd High School of Palatine won all three divisions of the meet.

On the varsity level, Bob Dubek led the Sequoits by placing 12th. Bill Harland and John Kaminski ran 32nd and 33rd respectively.

Walpole ran 10th and Becker 15th in the sophomore jaunt. The sophomores finished fourth

New York—(HK)—Health topics from alcoholism to venereal disease are treated by twelve leading experts in "You and Your Health," a new booklet for families from the Council on Family Health. An emergency reference chart which can be detached and kept near the telephone is an added feature of the booklet.

Lard Was a Blast

During World War II and again during the Korean War, lard produced from hogs was used to manufacture nitroglycerine and other explosives. Government demand for lard encouraged hog producers of the time to

develop large, fatty animals. Today's hog producer, however, is concerned with breeding animals to meet the demand for pork, not lard. Today's hog is leaner, less fatty and provides a greater percentage of high-quality pork than his ancestors ever did.

ANNIE MAE

Continued from page 6.

better than April and May.

Oh, sure, we get some nasty days in autumn, but wait and see ... some glorious weather awaits us in October. For example (and you won't read this until later in the month) but John Teresi's "Old Farmer's Almanac" predicts some very mild days in mid-October and then, at the end of October, sunny skies and above-normal temperatures. So don't stash away the light clothing yet.

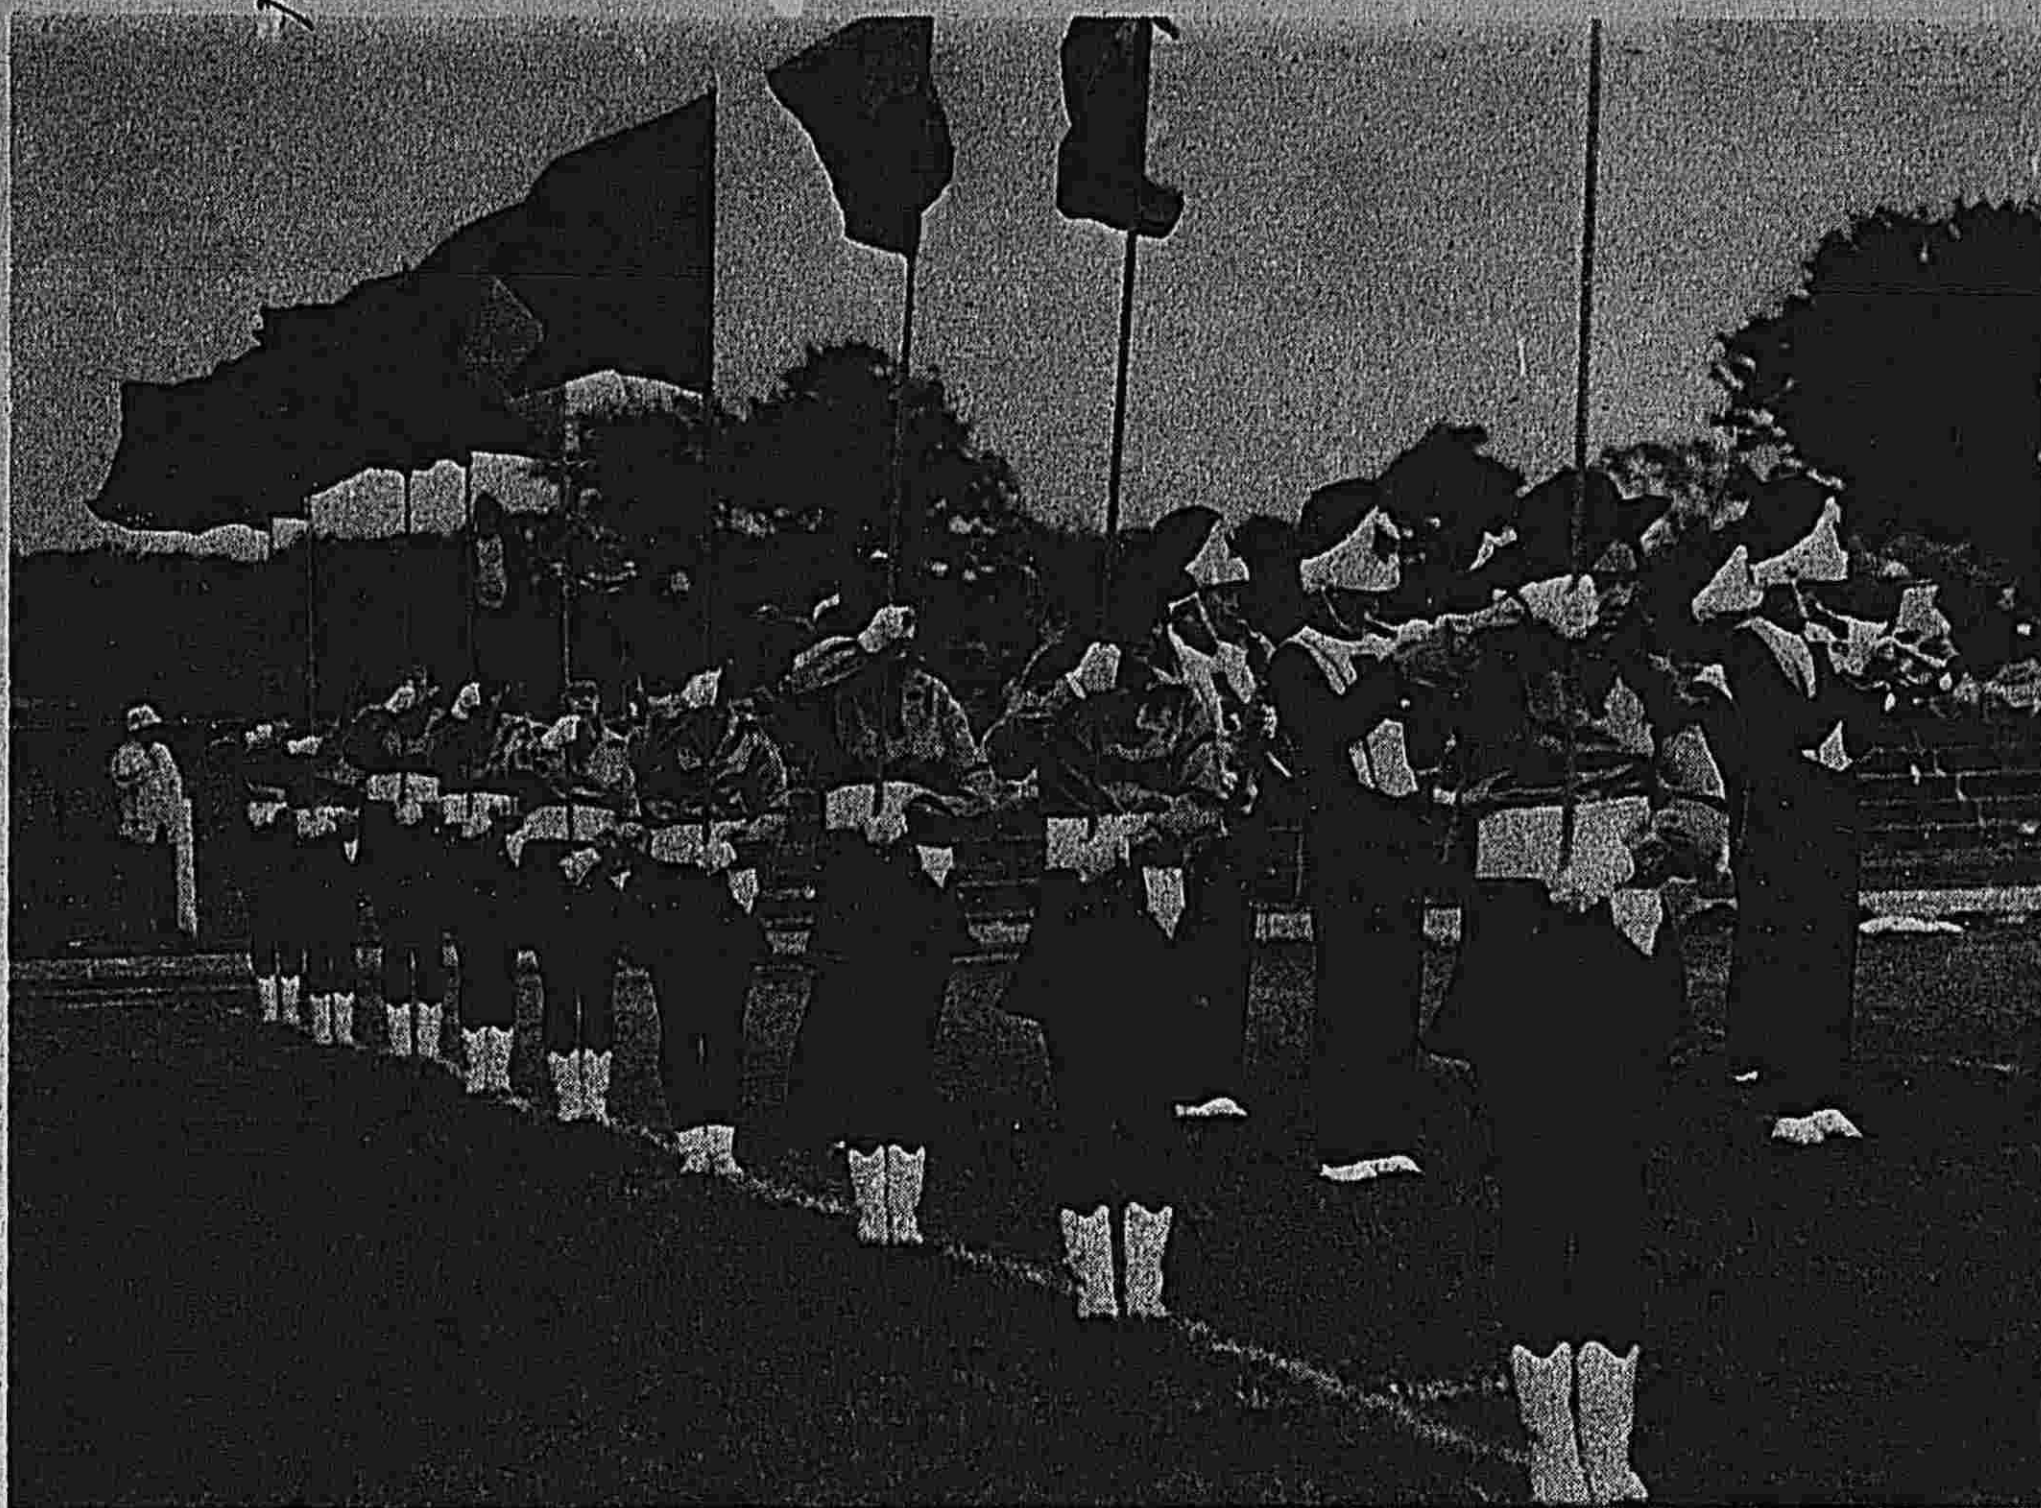

WE HEAR Molly and George DeBota of Chicago had a very happy 24th anniversary. That's good ... they're special people. Molly is the mother of Bill Georgeson of the World Famous Village Pub and George is Bill's stepfather.

Mr. and Mrs. Clifford Mirocko of Antioch are proud maternal grandparents. A baby girl, Rebecca Michelle, was born Sept. 17 to Mr. and Mrs. Thomas Kenyon of Gurnee ... their first child. The paternal grandparents (also very proud)

are Mr. and Mrs. Ralph Kenyon of Waukegan.

GETTING OUT this edition of the Antioch News wasn't easy, because Rose Lipinski was home, very sick with the flu. Rose is one of our star performers, you know.

Valuable and unusual prizes will be given at the Antioch Mental Health Association's "Historical Hop" Saturday night, Oct. 11.

20 FLAG GIRLS, snappily-attired, accompany the Antioch High School marching band during its impressive halftime show at football games.

The 94-piece unit, directed by John Olisar, will perform again Saturday afternoon between halves of the Round Lake game here.

The Bicentennial Colonial Ball will begin at 8:30 p.m. at Lorenz's Smart Country House.

Mrs. Robert Lubkeman, chairman, said that first and second place prizes will go to the couples with the most authentic costumes of any historical period. There also will be a prize for the man or woman with the most outstanding costume of historical significance.

POPULAR WEDDING in

Antioch last weekend as two popular people were united in marriage: Sue Sedivec, a member of the police department, and Jim Koppa, a member of the rescue squad.

No wonder the excitement when the rescue squad and the police department led the wedding parade through the downtown area.

WE CAN hardly wait till Saturday, Oct. 18, when the 5-day Oktoberfest begins at the Dortmunder Inn.

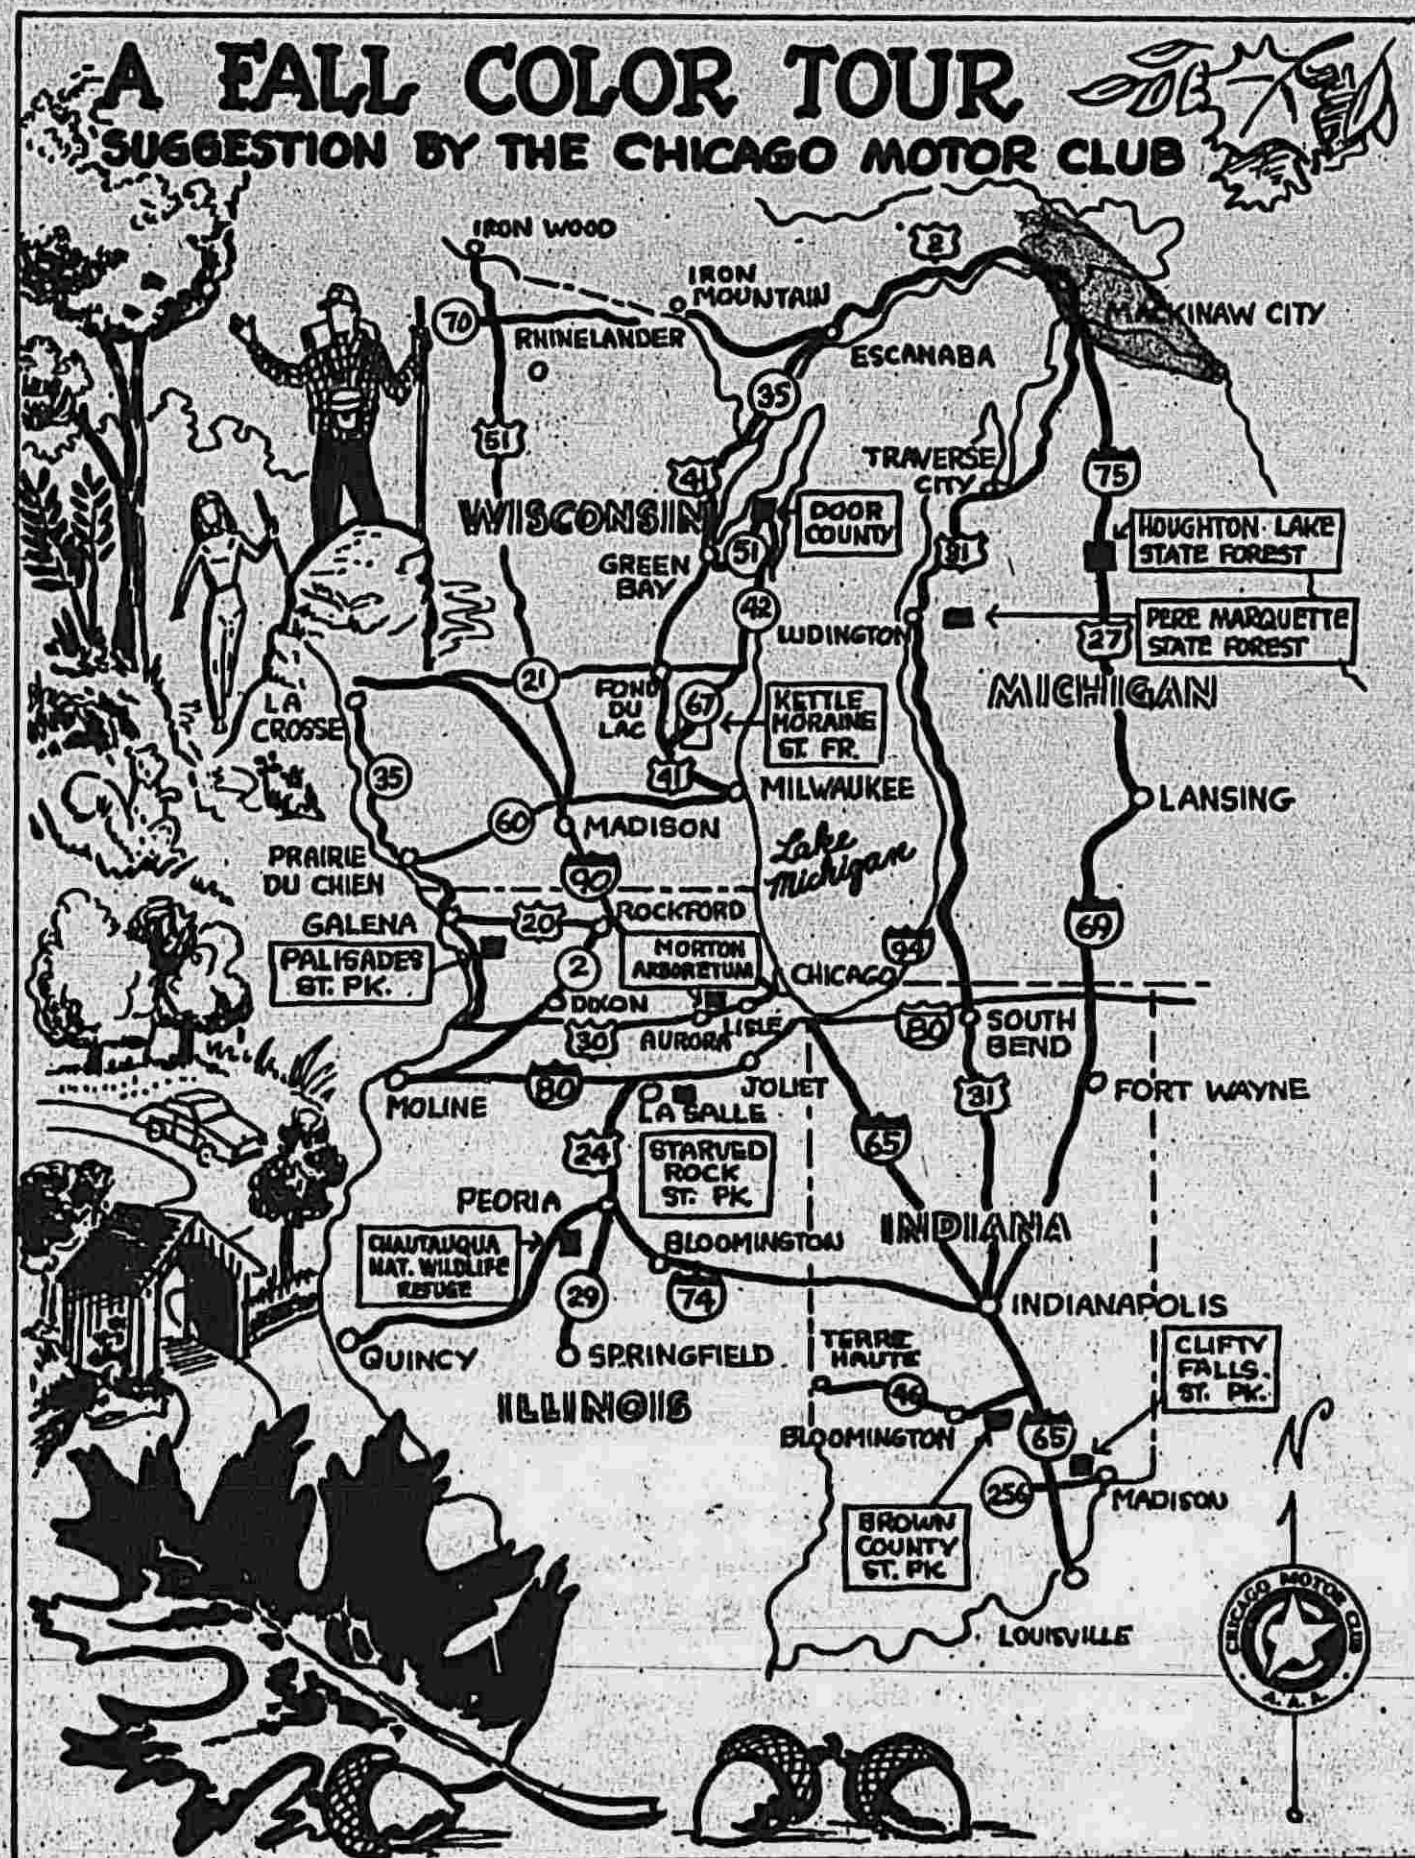

This very authentic and charming German restaurant is planning live music and dancing on all five days,

Saturday, Sunday, Monday, Tuesday and Wednesday, Oct. 18th through the 22nd.

German foods and imported beers and wines will be part of the feast. German musicians from Chicago will be coming in on Saturday and Sunday nights, the 18th and 19th. Mark your calendars now... October is the only month in which you'll get a chance at a real Oktoberfest.

We hear that Frank Sinatra was fantastic and spellbinding in his performance at Chicago Stadium last week. Even at the age of 59 (he'll be 60 in

ANNIE MAE

Continued from page 17

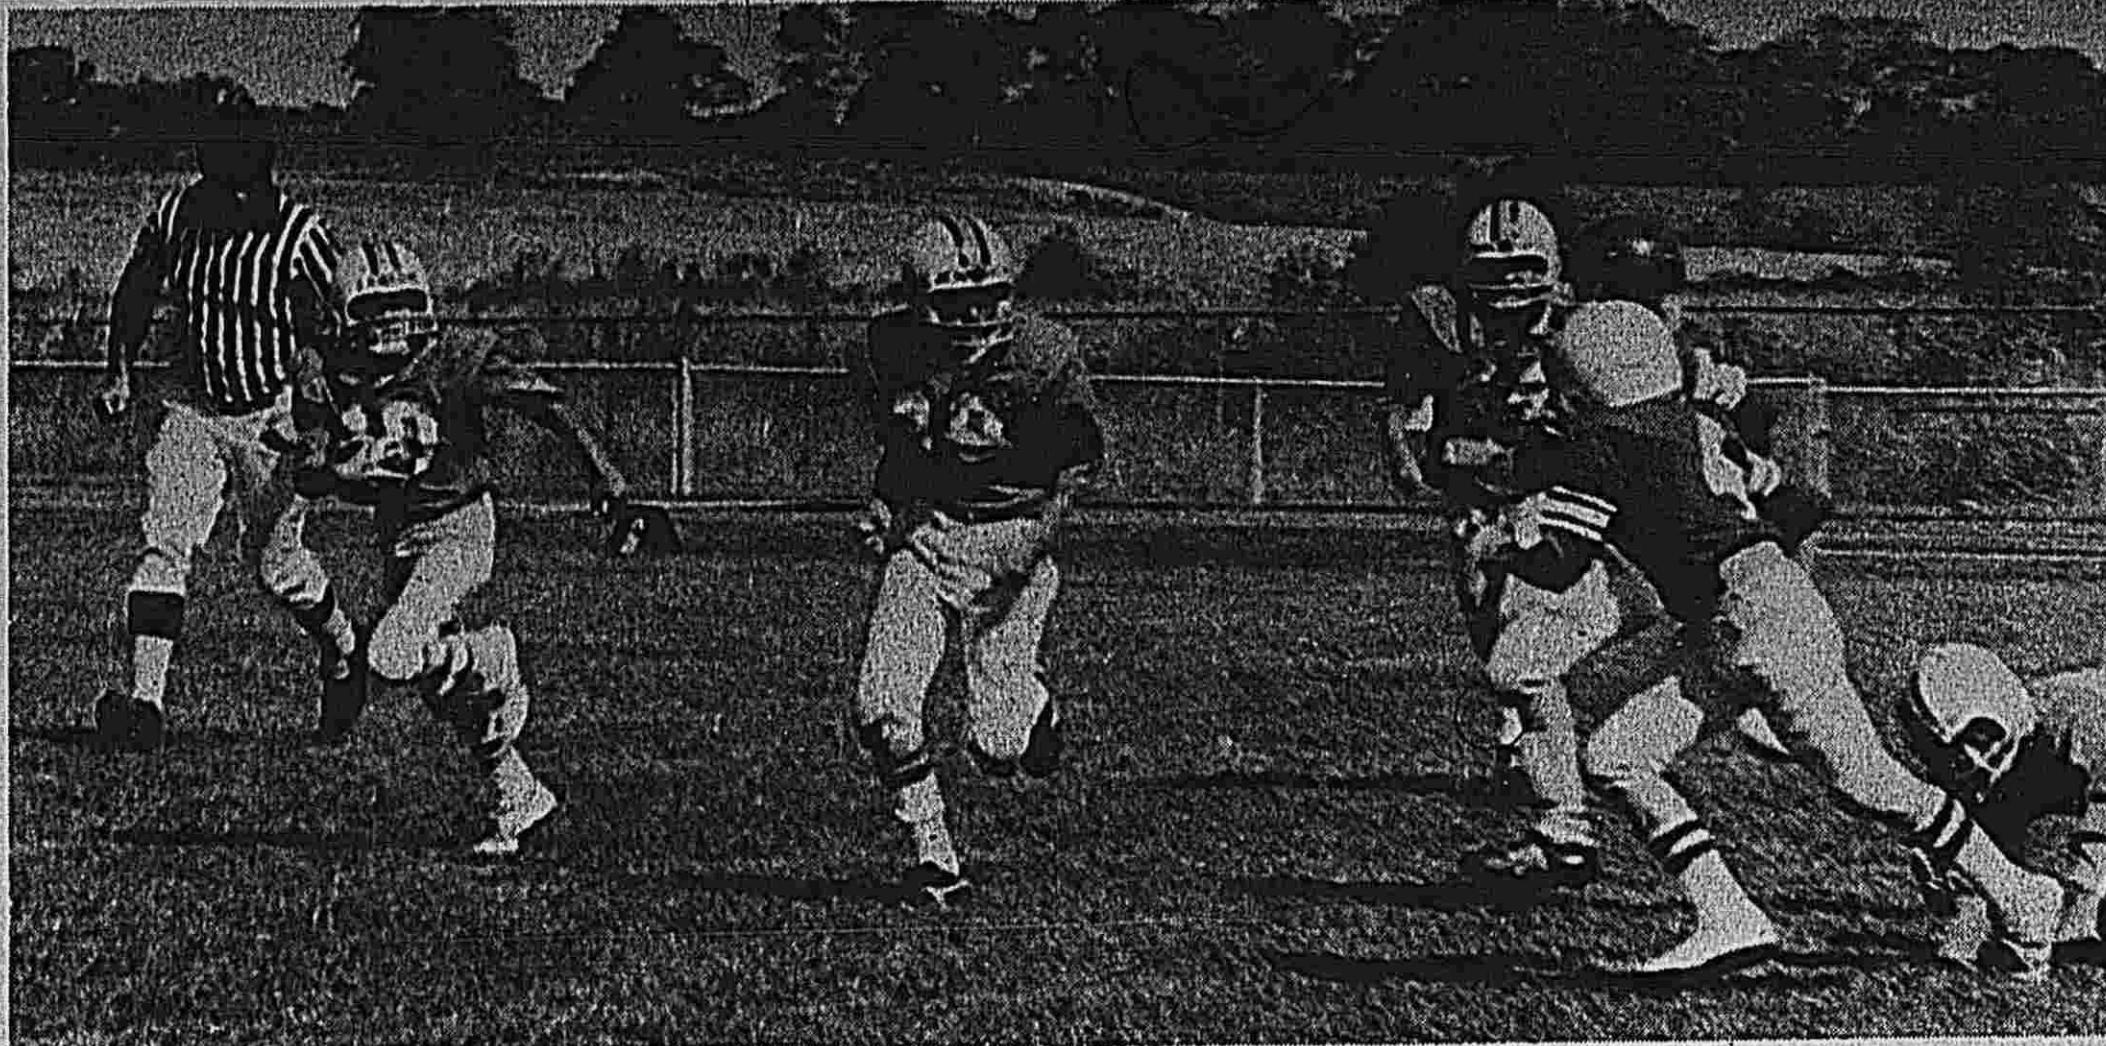

December) old Blue Eyes retains his magic. Pres and Bev Reckers were two of the few Antioch folks lucky enough to have tickets.

LLOYD PEDERSEN OF Antioch is performing at Lincolnshire Marriott Resort from now through Saturday, Oct. 25.

Lloyd, a talented singer who recently cut his first record album, performs with three beautiful girls and three talented musicians. Formerly the lead singer with Wayne King and his orchestra, Lloyd is getting rave reviews as he takes his new show around the country.

Really proud of our Lake Region Homemakers' Dolly Madison quilting blocks that were on display at the Antioch Library this past week.

Some of the blocks were shown in color this past weekend in the Chicago Tribune. If you missed seeing them they will be on display after Jan. 1 at the Museum of Science and Industry.

ANTIOCH'S VIKING FOOTBALL players looked like miniature pros as they performed at the high school field Sunday. The Lightweights beat Fox Lake 12-6 and, in this photo, Danny

Larson (left) sweeps around right end behind the blocking of Steve Jennerich. Terry Sheppard is in the background. The referee is Dick Kessler of Antioch.

Vikings Defeat Fox Lake Foes

Antioch's Viking football teams scored victories over Fox Lake here Sunday, capturing the traveling Mayor's Trophy.

Antioch's Lightweights beat their Fox Lake rivals 12-6, Hal

Fox scoring both of the touchdowns. He got six points in the second quarter by returning a pass interception 28 yards and then scored again in the second half.

An elderly lady asked her young nephew how he liked school. "Closed," said he.

It has been said that some students drink from the fountain of knowledge. Others limit themselves to gargling.

Steve Jenerick's recovery of a Fox Lake fumble set up the winning touchdown. Antioch coaches praised the defensive play of Chuck Bogaerts, Mike Dye, Dan Johnson and Brad Knutson.

The Heavyweights won 2-0 on a second quarter safety forced by Mike Fox. Both teams played well defensively and

neither could generate a sustained offensive march.

The Viking PeeWees hosted North Chicago and played a 0-0 tie. But Antioch fans were treated to a 53 yard reverse by Bob Thain that was nullified by a holding penalty.

Next Sunday afternoon the Vikings host Highland Park at the Antioch High School field.

Cross-Country

Continued from page 16

as a team. Bob Silvola and Mark Biel led Antioch's freshman runners by placing 29th and 30th respectively.

Against Zion, Antioch finished one-two-three, with Dubek winning and Walpole and Kaminski close behind. Edison

Sankey was fifth in the sophomore meet, which Antioch lost to Zion.

Against Wauconda and Grant, Dubek led the Sequoits by placing third and the team showed good depth, with Harland fourth, Kaminski fifth and Walpole eighth. Sankey again led the sophomores by placing fifth.

Winning Football Teams Include Sophs and Frosh

While Antioch's varsity football team was upsetting Cary-Grove last week, the sophomore and freshman teams were having another successful weekend, too.

Coach Bruce Bartosz' sophomores beat their Cary-Grove opponents 16-0 and Coach Gerry Sandberg's freshmen triumphed 38-6. They now have a 4-0 record, which is a happy thought for future Antioch varsity teams.

THE SOPHOMORES were in complete control of their game, running 52 plays for a total of 267 yards and 11 first downs. Cary-Grove was held to 44 yards in 34 plays and managed only 2 first downs.

In the second half the Antioch defense held the Cary-Grove sophs to a total offense of three yards.

The Antioch sophs reached Cary's three in the first period, then fumbled. But Cary had to punt, Antioch blocked it and picked up a two-point safety.

The Sequoits went ahead 8-0 in the second quarter when Kenn Rosenbrock plunged in from the two. Tom Huebner ran the extra point to make it 10-0 at the half.

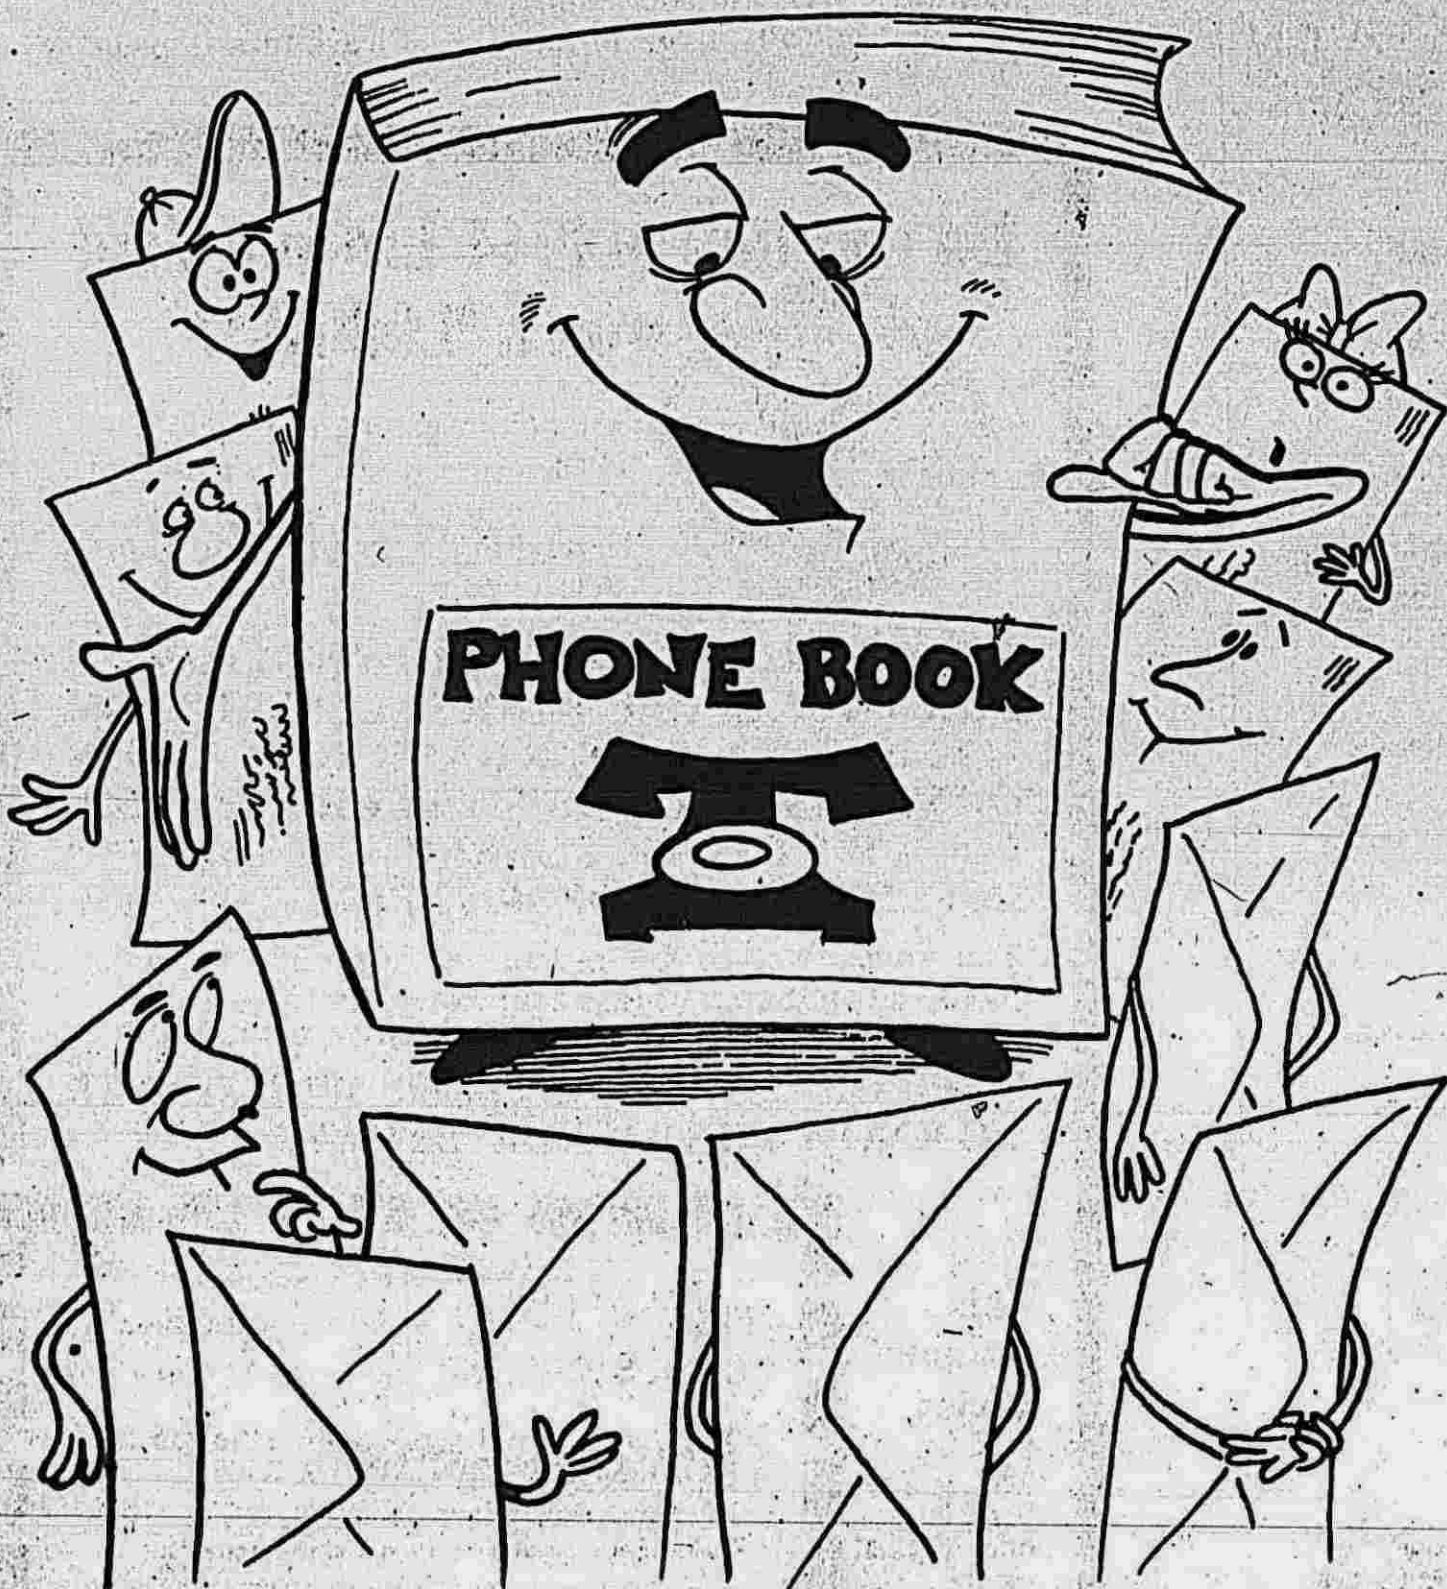

ANTIOCH REACHED Cary's nine when time ran out at the half, and plowed to Cary's 15 without scoring in the third quarter. In the fourth period, Rosenbrock scored again from the nine, with a key block by tackle Dave Scarpelli. The scoring drive covered 80 yards in four plays, including a 68-yard pass play from Brian Andrews to Keith Radke.

Rosenbrock and Huebner were workhorses again, Rosenbrock gaining 58 yards in 15 carries and Huebner 50 in 10. Tim Huebner caught three passes for 57 yards.

Bartosz said Neil Fossum and Al Roth deserved recognition on defense, and Al Moore, Pat Solar and Rick Motley on offense.

The Sequoit sophs host Round Lake this Saturday at 12 noon.

FIRST ONE IN Hitting the ball in racquet center

By ED COLLINS

Hitting a tennis ball in the center of the racquet is sometimes more difficult than "jumping tall buildings in a single bound." It's not easy.

When a player hits more balls off the wood than the strings, he begins to wonder if there's something wrong with his eyesight. He's more than embarrassed when some smart aleck shouts, "Use the strings — your racquet will last longer!"

Better players have problems too. The intermediate often overhits the ball, trying to compensate for mishitting and to gain pace. The advanced player realizes that a mishit volley will often turn a winner into an easy passing shot. Hitting in the center of the racquet is no easy task. It takes years before one can expect to hit just one out of three balls in the "sweet spot."

When it comes down to it, the ability to hit the ball squarely and with authority is what determines the eventual winner. Here's how you can improve this ability:

— Don't be violent. Overhitting is a circular pattern that leads nowhere. The immature player mishits a ball, so he swings harder the following shot. Again he mishits it, which prompts him to swing even harder. It's like

the baseball player wildly whiffing the air, trying for a home run. Or a crazy week-end golfer straining to drive the ball like Jack Nicklaus. Center hits in all sports are only achieved by controlling the body with a conservative backswing and economical motion.

— Keep your balance. Mishits occur frequently if the player is not set at the point of contact. Be on balance. Step prior to the hit and keep your front foot flat during the hit. Bend your knees; this helps maintain balance. To test your balance, try holding your finish for a count of two after each hit. "Be a statue."

— See the ball. Many players can't wait to see where their shot is going, so they look before hitting it. This causes lots of disappointing mishits. Keep your head steady, eyes fixed to the point of contact until the ball is gone. Watch the ball carefully. Focus on it twice: once as it is being hit, and then as you contact it. Notice how it enlarges the second time. Can you see the seams of the ball?

The following drill will help you exercise your skills at making center contact. Hold the racquet in the middle with only three fingers (choke up). Turn the racquet face up and dribble the ball up. Don't send it higher than 12 inches.

Try bouncing it down repetitively holding the racquet with the same grip. You will become very sensitive about making dead-center contact. If you mishit the ball, the racquet will turn in your hand.

Practice against a backboard with the same grip. Try rallying from the baseline with a very loose grip and see what happens. The extra concentration will help. Try it.

Chamber Plans Contest: Paint a Fire Hydrant

Beginning Wednesday, Oct. 1, the Antioch Chamber of Commerce and Industry will sponsor a contest to paint the village fire hydrants in a bicentennial theme.

A \$200 cash prize will be offered for the best hydrant. Groups or individuals are eligible to enter.

In order to be considered for a prize, you must register with the chamber office which will assign a hydrant to you.

Along with your hydrant assignment, you will receive instructions about where to pick up red, white and blue paint, supplied by the Chamber office free-of-charge. If your design requires additional colors, you will have to supply them at your own expense.

To register, fill in the coupon below and send it to: ANTIOCH CHAMBER OF COMMERCE, Fire Hydrant Contest, P.O. Box 293, Antioch, 60002.

APPLICATIONS MUST BE RECEIVED NO LATER THAN OCT. 15 and work must be completed by Oct. 31 for judging.

I want to enter the fire hydrant bicentennial theme contest.

Rationing the Future

Washington—(HK)—A federal gasoline rationing plan designed to meet an emergency gasoline shortage would cost \$400 million to set in motion and add some 93,000 employees to the government payroll, the *World*, quarterly publication of Marathon Oil Company reports. Once in operation, rationing would cost an estimated \$2 billion annually.

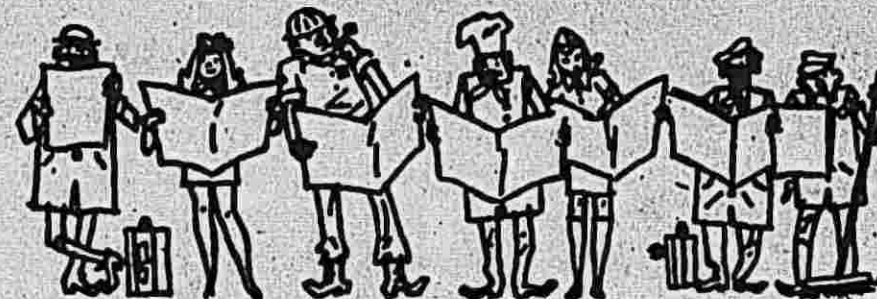

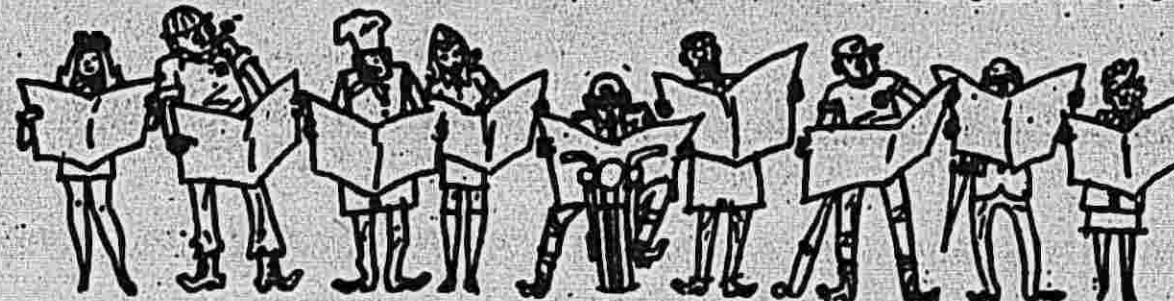

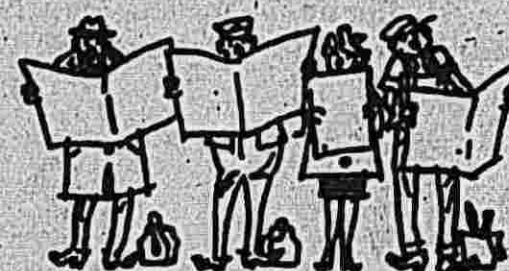

"Your function at this year's stockholder meeting will be of primary importance."

Yes, it's happening. Right here in Antioch EVERY WEDNESDAY

SUCCESSFUL SEASON — Antioch Swim Team, sponsored by State Bank of Antioch, had a highly successful season, thanks to fine cooperation from swimmers, coach Marty Berry, parents, State Bank and Antioch Lions Club. Swim team members are, from left, bottom row, Lisa Woods, Teresa Teeple, Shari Syria, Brian Wogsland, Bryan White, Joel Bellucci, Kris Shepard, Margaret Purfeerst, Lynn Cilik, Jody Bellucci, Mike Swanson; second row, Lisa Odds, Julie Wierschem, Geo. Bessette, Tad DeRousse, Carolyn Stanley, Joan Cilik, Joe Manning, Craig White, Jeff Bundy, Dave Syria, Donna Gutowski, Joan Bellucci, John Bellucci, Don Purfeerst, Joe Emmerich, Billy Carney; third row, Mike Mattson, John Fink, Margaret

Ivy, Ann Ivy, Kitty Purfeerst, Carl Amundsen, Ed Fink, Jennifer Bellucci, Karla Bolton, Keith Latz, Tammy Lathamer, Nancy Mattson; fourth row, Denise Mattson, Mary Manning, Carol Berry, Jean Cilik, Cindy Carney, Lesley Gallagher, Mary Ann Cilik, Shelly Volling, Judy Houghton, Karen Shepard, Nancy Hoover, Mary Mattson, Kim Matesi, Linda Olson, coach Marty Berry; top row, Dave Volling, Dean Waite, Trina Spietz, Margaret Bessette, Denise Lotz, Jenny Schmidt, Debbie Bundy, Theodore Bessette, Steve Bundy, Sue Berry, Scott Reeves, Eva Auxler, Chuck Auxler, Terry Schmidt, Jack Fields, Chris Walpole, John Schmidt, Frank Bessette, Phil Jaworek, Al Jaworek, Dave Berry.

"Look, Abigail, if I sell this story we'll have enough money to buy Junior a real Bathinette!"

Julie Dye Wins \$15 in Football Contest

Julie Dye of Rt. 2, Antioch, was the winner of last week's Antioch News football contest.

She and Alice Johnson both picked the Sequoits to beat Cary-Grove by 13 points. The final score was Antioch 19, Cary-Grove 0.

But, in the tie-breaker, Julie picked the Chicago Bears to beat the Philadelphia Eagles by

three points. (The Bears won by two.) So Julie wins first prize, a \$15 gift certificate at the Four Squires clothing store.

ALICE PICKED the Eagles to beat the Bears, so she wins the second place prize, a \$10 gift certificate at the BJ Rush Photo Studio.

Alice, you may remember, won the football contest a couple of times last year...and we accused her of having some extra sensory perception. Apparently, she still has it.

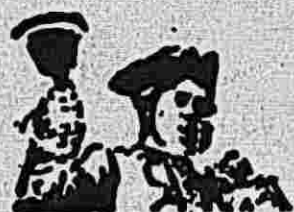

Third place in last week's contest went to Rita Garvey, who picked Antioch to win by 10

points. She also picked the Bears to win 20-17, which wasn't far from the actual score.

Rita wins a \$5 gift certificate at Swan's Liquors.

A LOT OF others entered the contest and most of them picked Cary-Grove to win. Many picked Antioch by just a few points. It was a neat 19-0 upset for Antioch.

Another football contest appears in today's issue of the Antioch News. Be sure to get your entry in before Saturday's 2 p.m. kickoff against Round Lake here.

More Energy Savers

If the frozen vegetables you buy come sealed in a plastic pouch, you can cook them with potatoes or another vegetable in the same pot of boiling water, thus saving the energy needed for a second burner.

Add an on-off switch to the line to "instant-on" television sets, or unplug them when not in use. These sets, especially the tube type, use energy even when the screen is dark.

Use glass or ceramic dishes in the oven. You'll find you can cook at temperature settings as much as 25 degrees lower than required for cooking the same thing in metal pans.

BE WISE: ADVERTISE

Obituaries

MR. BERT F. LEY, 83, 64 N. Lake Ave. Fox Lake, passed away Sept. 25, at his home. He was born July 29, 1892, in Chicago and lived in Fox Lake since 1937, but spent his summers there since 1916.

Mr. Ley was a retired comptroller for the Peter Hands Brewery in Chicago where he had worked for 53 years. He had taught navigation to the power squadron in Chicago and had been an avid musician during most of his life.

He was a member of the Commodore Barry Council of the Knights of Columbus in Chicago and the LaSalle General Assembly of the 4th Degree K of C's in Chicago.

Survivors are his wife Iva; two sons: Robert F. Ley (Kingsville, Texas) Arthur C. Ley (Torrance, Calif.), two stepsons: Leroy Armitage of Fox Lake, George Armitage (Wildwood), two step daughters: Mrs. Gloria (Lou) Thorne (Fox Lake), Mrs. Audrey (Ronald) Simek (Northbrook) one sister: Mary Ley (Chicago) 29 grandchildren and eight great grandchildren.

He was preceded in death by one daughter, Betty Jagel and by two brothers, Arthur and Clem.

Funeral Mass was held Monday at St. Bede's Church, Ingelside. Interment was in St. Bede's cemetery.

on May 29, 1956, in Antioch.

Survivors are her husband Harry; three sisters: Mrs. Bessie Triska, Mrs. Wilma Motis and Mrs. Antoinette Jaegers.

Funeral Services were Friday at the Strang Funeral Home, Antioch. The Rev. Stephen Williams of the United Methodist Church of Antioch officiated. Interment was in Home Oak Cemetery near Antioch. Friends desiring may make contributions to the Antioch Rescue Squad.

MRS. VIVIENNE E. McNamara, 60, of State Line Rd., Kenosha, passed away Sept. 26 at Victory Memorial Hospital, Waukegan. She was born May 18, 1915, in Chicago and has lived on State Line Rd. since 1937 where she had farmed with her husband. She was a member of St. Scholastica Church at Bristol. She married Claude McNamara on Aug. 28, 1937, and he preceded her in death on July 8, 1974.

Survivors are one son, Roger McNamara (Racine) three daughters: Mrs. Virginia (Russell) Davenport (Franklin, Wis.) Mrs. Vicki (David) Walker (Waukegan) Ms. Valynn McNamara (Kenosha), two brothers, George Buchholz (of California), Andrew Buchholz (Evanston) and five grandchildren.

Funeral services were held at the Strang Funeral Home, Antioch. Rev. Francis Jordan of St. Scholastica Church officiated. Interment was in St. Scholastica Cemetery.

Friends desiring may make contributions to the American Cancer Society.

First Aid Measure At Your Fingertips

You probably didn't know you keep a first aid kit in your freezer. It's an ice cube. This cheap, efficient item can kill pain, control bleeding and inhibit infection.

Cold kills pain because it numbs nerves. If you burn yourself, don't apply butter or ointment. Plunge the burned area into a pan of ice water. If that isn't possible, put an ice cube directly on the burn, but don't rub—it may cause damage to injured tissue. As well as easing the pain, the cube will also inhibit swelling, prevent blistering and speed healing.

An ice cube also tightens the blood vessels under the skin so it slows bleeding, then stops bleeding by speeding up the clotting action. This constriction also reduces discoloration and swelling.

Holding ice cubes on an open wound may prevent infection because germs don't multiply in deep cold.

WE'RE SURE YOU'LL AGREE that Antioch High's cheerleaders have been as sharp as the football team. From left: Chris Walpole,

Dorothy Nevitt, Leslie Shaffer, Julie Kiemle, Mindy Harris and Kathy Pahlke.
